ACADEMIC EXPERIENCE

07/2024 - Today

Assistant Professor, Farm Machinery – Precision Agriculture

Department of Agriculture, University of Patras

Precision Agriculture and Digital Agriculture

Smart Farming

Agricultural Machinery

Natural Resource Management

Geographic Information Systems (GIS)

Remote Sensing

Internet of Things (IoT)

Agrometeorology

Business or sector: Academic

10/2020 – Today

Associate Adjunct Professor

Hellenic Open University, Patra – Greece

Water Resources

Natural Resources

Remote sensing and GIS

Environmental Management

Business or sector: Academic

05/2008 – 12/2015

Research Associate

Agricultural University of Athens, Greece

International Research Projects

National Research Projects

Business or sector: Academic

EDUCATION

04/2011 – 02/2017

PhD Water Resources Management

Division of Water Resources Management, Department of Natural Resources
Management & Agricultural Engineering Agricultural University of
Athens, Greece, Thesis: Development, Implementation and Evaluation of
Drought and Desertification Risk Indicators for the Integrated Management of
Water Resources

- 10/2008 – 10/2010 **MSc Environmental Management**
Department of Natural Resources Management & Agricultural Engineering
Agricultural University of Athens, Greece Thesis: Application of the
Standardized Precipitation Index (SPI) in Greece for the Integrated
Management of Droughts
- 10/2001 – 10/2007 **BSc Agricultural Science**
Division of Water Resources Management, Department of Natural Resources
Management & Agricultural Engineering Agricultural University of
Athens, Greece, Thesis: Managing Extreme Hydrological Phenomenon -
Evaluation of the Erosion of the Island of Samos

Mother tongue(s) Greek

Other language(s)	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	Proficient User	Proficient User	Proficient User	Proficient User	Proficient User
Italian	Basic user	Basic user	Basic user	Basic user	Basic user

Communication skills Good communication skills
Cooperative and team player
Ability to resolve and manage possible tension that occur in a team

Organisational / managerial skills Organizing, coordinating and reporting
Budget management skills
Leading and supervising skills
Work under pressure
leadership

Job-related skills Professionalism
Flexibility and critical thinking
Problem solving and decision making attitude
Good command of Natural Resources

Computer skills Good command of office suite (word processor, spread sheet, presentation software)
Good command of GIS software (ArcMap, ArcGIS Pro, QGIS, Saga GIS, Surfer)
Good command of design software (AutoCAD)
Good command of Land & Water software (CROPWAT, CLIMWAT, ISAREG, MIKE
SHE, HEC-HMS, Hydrognomon, WaterCAD)
Good command of statistics software (Python, SPSS Statistics, Statgraphics Centurion)
